Whakawhanake | Continuous Improvement

Keep only what is necessary and discard everything else - when in doubt, move it out.

Arrange and label only necessary items for easy use and return by anyone.

Keep everything swept and clean for inspection – for safety and maintenance.

Make up the rules, document the rules, follow the rules, promote the rules.

Make a part of daily work and it becomes a habit. Continue and promote improvement.

SAFETY

ENSURE A PROTECTIVE WORKPLACE –

Promote an environment of zero harm with ongoing Toolbox Talks and ensure all staff have the opportunity to discuss potential hazards and propose preventative action.
